

PRICE & PRODUCT INFORMATION

FRAMES & STANDS

HL Display Frames are available in a variety of eye catching colours to display prices and promotions in an attractive manner. The range offers a wide assortment of clever accessories including magnets and hooks for quick and easy mounting on walls, ceilings, shelves or baskets.

Highlight your offers!

Combining the HL Frame system with our Skyline program allows you to display price and promotional information above your products. Standard frames are available in sizes from A6 up to A1. For a different look, we also propose our Vendor system in A6L, A5 and A4 to display printed paper messages in a clear acrylic pocket.

SMART ACCESSORIES

Our accessories allows you to mount your frames in virtually any situation.

- Hang clips to fix frames to overhead structure for presentations above open chest freezers or promotional islands.
- Shelf edge clips to attach smaller frames directly to shelves for enhanced product info or promotions.
- Stands with telescopic pole for promotional presentations in bins, wire baskets or directly on pallets.
- Magnetic fixation for use in coolers or on other metal surfaces.

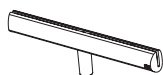

PRICE & PRODUCT INFORMATION

➔ SIGN HOLDERS

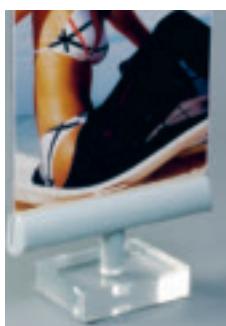

VENDOR A4/A5L,
VENDOR A5/A6L

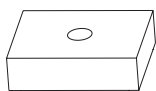

Sign holder for acrylic pockets

Holder for the acrylic pockets ACR- in format A4, A5 landscape (A4 model) and A5, A6 landscape (A5 model). For table use, combine with the VENDOR FOOT or use the SK tube assortment with 9 or 12 mm diameter pipes for raised positions. Colours: Silver/Grey and Transparent, others on request. Number per bag: 10. Number per carton: 500.

ⓑ

VENDOR FOOT

For desk use of the VENDOR holder

Clear acrylic foot for VENDOR. Provided with 4 soft friction cups underneath for stable and non scratching installations. Colour: Transparent. Dimensions: 80 x 60 x 20 mm. Number per unit: 10.

PRICE & PRODUCT INFORMATION

ⓑ

CABLE POS

Wire suspension kit

To suspend signage hold by CP-CLAMP and CP-SLEEVE's.
CABLEPOS can be used for the following types of installations:
Ceiling to Floor, Ceiling to Wall, Wall to Wall, etc.

1 suspension kit contains: 1x5 meter wire, 2x ceiling/wall/floor hooks incl. 2x plastic wall plugs, 2x wire locking, 2x wire tensioning rings and 1x inset/socket head key.

For 1 vertical row of signage facings you need 2 CABLEPOS suspension kits.

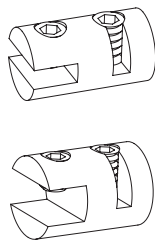

Colour: Glossy metal.
Number per unit: 1 kit.

ⓑ

CP-CLAMP-S

Cable signage clamp – single sided

CP-CLAMP 2,0S (single grip for 2,0 mm)
CP-CLAMP 4,0S (single grip for 4,0 mm)

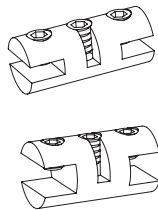

Colour: High glossy metal
Number per bag: 40

ⓑ

CP-CLAMP-D

Cable signage clamp – double sided

CP-CLAMP 2,0D (double grip for 2,0 mm)
CP-CLAMP 4,0D (double grip for 4,0 mm)

Colour: High glossy metal
Number per bag: 40

ⓑ

CP-SLEEVE-CO

Cable signage pocket – front opening

Sleeve sizes A4, A3 and A3L.
Material 2,0 mm PET.
Number per box: 10

ⓑ

CP-SLEEVE-CC

Cable signage pocket – no front opening

Sizes A2, A1 and bigger.
2,0 mm PET material.
Number per box: 10

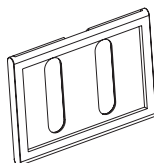

SHELF TALKER FRAMES

STF-A7L

STF-A7L, STF-74x210,
STF-74x148

Landscape shelftalker frames

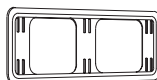

Messages are top loaded.

For varying types of shelf attachments, see the accessories below or the HL Price Cassette accessories in the chapter HL Price Cassettes.

Colours: Red, orange, yellow, white, black, green, blue and transparent.
Number per bag: 20.

FX-CL20-25

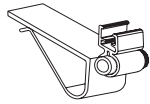

Tube clip

Available in 3 different sizes to fit most of the existing tubular suspending systems.
Sizes available 10-15 mm \varnothing , 15-20 mm \varnothing , 20-25 mm \varnothing .
Colour: Transparent.
Number per bag: 20, (10 left and 10 right).

⊕

KKLC

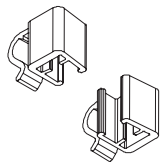

Edge clip

For mounting frames on shelves, cardboard boxes, plastic boxes and other boxes. The reading angle is adjustable through 180°.
Colour: Transparent.
Grips over edges with up to 25 mm thickness.
Number per bag: 20.

ⓑ

KL-CL

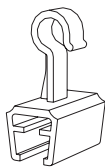

Frame holder for wire baskets

For hanging the frame on wire-baskets.
Delivered in pairs, one left and one right.
Colour: Transparent.
Number per bag: 20, (10 left and 10 right).

⊕

BS-CL

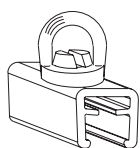

Frame clip for BUS STOP

Easy to use clip-on fixture to suspend Frames from the floor standing arm BUS STOP (see chapter SkyLine).
Colour: Transparent.
Number per unit: 50.

ⓑ

LP-CL

Clip for hanging frames

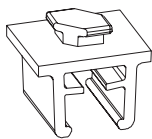

For frames with the opening on the side.
Colour: Transparent.
Number per bag: 20.
For suspension, see SkyLine chapter.

PRICE & PRODUCT INFORMATION

STR-CL

Frame clip for Sky-Trak

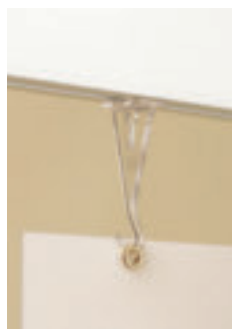

Frame clip, which fits the Sky-Trak profile.

Can be used either on top of, or underneath the profile.

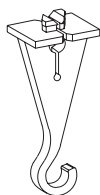

The clip can be mounted at two different angles, which enables the mounting of frames alongside the profile or at a 90° angle to the profile. Colour: Transparent.

Number per bag: 20.

For suspension, see chapter Overhead Signage.

STR-HOOK

Hook for Sky-Trak

Hook that fits all HL overhead products.

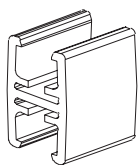

Colour: Transparent.

Number per bag: 20.

For suspension, see chapter Overhead Signage.

JN-CL

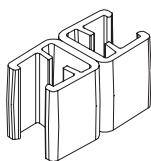

Clip for joining two frames

Colour: Transparent.

Number per bag: 20.

JNR-CL

Clip for joining two frames

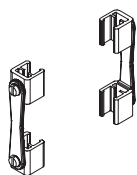

Adjustable to any angle.

Colour: Transparent.

Number per bag: 20.

TW-CL

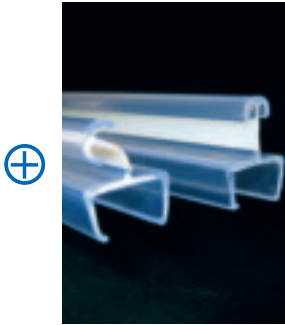

Connection clip

Connection clip, enabling frames to hang in a vertical row.

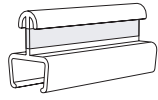

Colour: Transparent

Number per bag: 20.

FLUG-

Frame holding profile with swing function

Used to create a hinged connection between Frames and perpendicular or aisle-sign holders in the AS-ARM- and SK-M- series. For more information on the holders see the chapters Shelftalkers and Frames. Swings away 90° in both directions to minimize the impact on the Frames when hit by consumers, trolleys, etc. For both horizontal and vertical use.

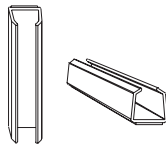

Lengths: 40, 190 and 275 mm.

Colour: Transparent

Number per unit: 20.

FLU-90-TF9-0040

Extruded clip with adhesive tape

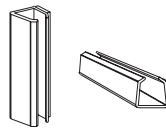

For fixing frames in a straight angle from the surface.

Colour: Transparent.

Number per bag: 20.

FLU-00-TF9-0040

Extruded clip with adhesive tape

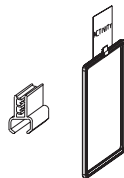

For fixing frames flat against the surface.

Colour: Transparent.

Number per bag: 20.

AC-CL-0025, AC-CL-0105

Activity clip

A clip for attaching promotional signs to frames.

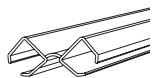

Recommended for signs with a thickness of up to 3 mm.

Colour: Transparent.

Number per bag: 20.

AN-CL-0025, AN-CL-0050

Clip to mount the frames in a square mobile

Material: PVC.

Length: 25 and 50 mm.

Colour: Transparent.

Number per bag: 20.

PRICE & PRODUCT INFORMATION

⊕

UF

Aluminium frame arm

Profile in aluminium, with tracks. Available in the standard colours: Natural anodised aluminium, white, red, blue, yellow and black.

Can be used with all the different frame clips.

Available in different lengths and in both straight and curved designs with a 50 mm radius.

Can be used together with end cap 2305-04 see Jegab chapter.

⊕

TBST-90

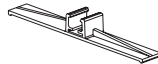

Table stand

Table stand for displaying frames on a flat surface.

Colour: Transparent.

Number per bag: 20.

⊕

TBST-75

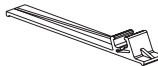

Table stand

Table stand for display frames at a 15 degree angle.

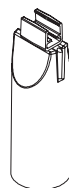

Colour: Transparent.

Number per bag: 20.

⊕

2232-CL

Frame holder for bottles

Attach the holder directly on the bottle cap.

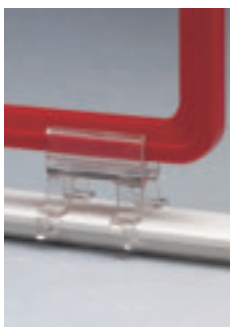

Inside diameter: 31 mm

Colour: Transparent.

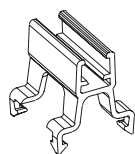

Number per bag: 10.

Number per carton: 50.

⊕

FL-CL90

Clip for frames

Clip for frames, which fit the Sky-Trak profiles or the FL-W- profile.

Can be positioned in two different ways.

Colour: Transparent.

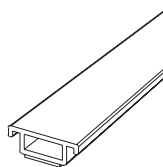

Number per bag: 20.

⊕

FL-W-TF12-1000

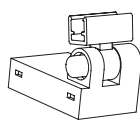

Extruded rail

With adhesive tape. To be used with FL-CL 75 or FL-CL 90 for fixing frames on top of freezers, for example.
Colour: White.
Number per carton: 25

ⓑ

AS-MGT-CL

Frame holder – Adjustable & magnetic

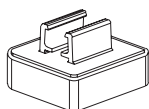

Strong 10 kg magnet for all round use. The possibility to adjust the angle of the Frame clip will widen the area of use dramatically.

AS-MGT-CL
Packing : 10/bag and 60/box
Colour : White magnet house & transparent frame clip.
Material : Heavy duty PC

ⓑ

MGT-90

Magnet for fixing frames

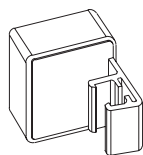

Magnet for fixing frames at a straight angle towards the surface. White housing and transparent frame holder.

Max. load 7 kg.
Number per bag: 10.

⊕

MGT-00

Magnet for fixing frames

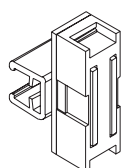

Magnet for fixing frames flat against the surface.
Colour: White housing and transparent frame holder.

Max load 7 kg.
Number per bag: 10.

ⓑ

MGTS-90

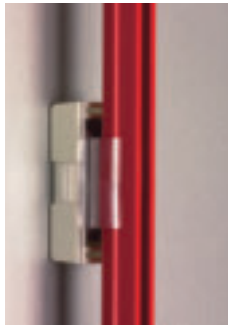

Magnet 90°

Half sized magnets. 90° angle.
Colour: White/transparent
Number per bag: 10.

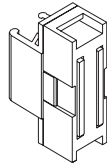

PRICE & PRODUCT INFORMATION

⊕

MGTS-00

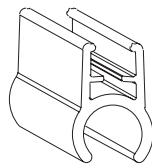

Magnet 0°

Half sized magnets. 0° angle.
Colour: White/transparent
Number per bag: 10.

⊕

TB-CLxxxx

Tube clip

Tube clip available in five different sizes to fix a frame on any tube with a diameter of between 8 and 28 mm.
TB-CL8-10, TB-CL11-13, TB-CL14-17, TB-CL18-22, TB-CL23-28.
Colour: Transparent.
Number per bag: 20.

⊕

OVAL TUBECLIP

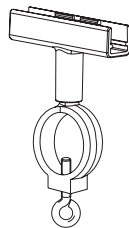

Oval tube clip

Tube clip for oval tubes, with size 15x30 mm.
Colour: Transparent.
Number per bag: 20.

⊕

TB-CLMP-T-19-30,5

Flexible tube fixture

Tube fixture, which fits tubes with 19-30.5 mm diameter.
Colours: Grey and transparent.
Number per bag: 10.

ⓑ

TSKORxxx-xxxx-T

Frame holder for wire baskets

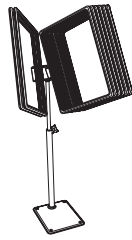

A telescopic frame holder, which fits most kinds of wire baskets.
Available in 330-510, 580-1010 and 830-1510 mm length.
Can be ordered with TCB instead of a T.
Number per carton: 10.

⊕

PLU-HOLDERA4-KIT

Check-out register system

One kit contains:
 8 frames, size A4, available in white or red.
 Other colours on request
 1 holder for 8 frames, with adjustable reading angle.
 1 foot; telescopic tube. Standard colour white, other colours on request

Number per carton: 1.

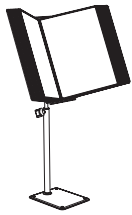

SEPARATE AVAILABLE:

RAM A4-PLU
 A 4 Frame

ⓑ

PLU-HOLDER-PF A4,
 PLU-HOLDER-PF A5

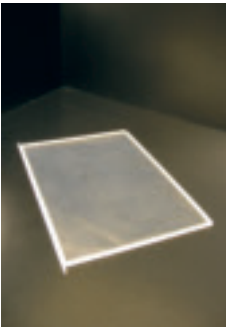

Flip system for pocket frames

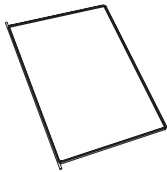

Adjustable reading angle, telescopic height adjustment and swivel option. To be used with 20 pocket frames (P-FRAME). The foot is prepared with 4 holes for a permanent installation with screws at the check-out or at similar in-store spots.

- Adjustable total height 540 -840 mm.
- Foot 160 x 200 mm.
- Standard colour: White
- Holds 20 pcs P-FRAME
- Comes semi assembled.
- Number per box: 1/box

ⓑ

P-FRAME A4 P-FRAME A5

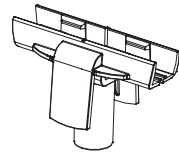

Pocket frame for PLU-HOLDER-PF

Easily clicked in place into the PLU-HOLDER-PF. For double sided information.
 Standard colour: White.
 Protection plastic: Transparent non-reflective.
 Number per box: 20/box.

ⓑ

T

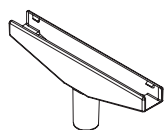

Frame holder for 9 mm aluminum tubes with a user friendly release function

Colour: Transparent
 Number per bag: 100
 Number per box: 1000

⊕

T-XL

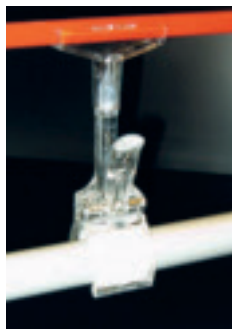

Large frame holder

Can be mounted on both 9 and 12 mm tubes.
 Available in standard colours: Red, orange, yellow, white, black, green, blue and transparent.
 Number per bag: 10.

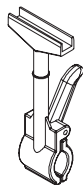

PRICE & PRODUCT INFORMATION

ⓑ

CL-T

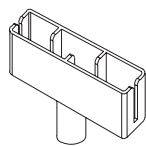

Big universal clip with a frame holder

Maximum grip: 30 mm.
Material: ABS.
Colour: Transparent.
Number per bag: 50.

⊕

TCB

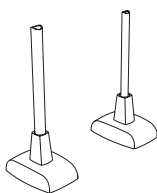

Cardboard sign holder

Suitable for 300 - 1000 gm cardboard.
Can be mounted on a 9 mm tube.
Colour: Transparent.
Number per bag: 10.

ⓑ

AS-MGT-FIX

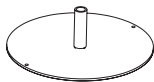

Magnet foot for rods

For use with 9 or 12 mm aluminum pipes
Stable construction and a very strong magnet for real straight installations.
Number per unit: 10/box
Color: Grey

⊕

FOT-ML-ROUND

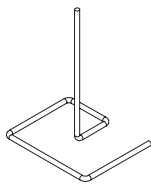

Round metal foot

Heavy duty round metal foot. Fits 12 mm SK-alu tubes.
Diameter: 180 mm.
Colour: Silver grey.
Number per carton: 10.

⊕

FOT-W-320

A foot produced in bent 9 mm wire

Height: 320 mm.
Material: Galvanized steel.
Number per carton: 10.
Fits the frameholders T, T-XL and TCB

(B)

FOT-PL

Foot for telescopic tubes

Plastic slip-in plate for 9 and 12 mm tubes.
Dimension 120x220 mm.
Colour: Grey.
Number per bag: 10.

(+)

co7040

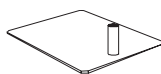

(B)

FOT-ML

Foot for telescopic tubes

Metal foot for 12 mm tubes. Dimension 160 x 200 mm.
Colour: Grey.
Number per bag: 10.

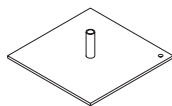

(+)

FOT-MLH

Outdoor foot for telescopic tubes

Extra heavy metal foot for 12 mm tubes. Extra anti-corrosion treated.
Dimension 200 x 200 mm.
Colour: Grey.
Number per bag: 25.

MGT-T

Magnetic T foot for Frames

Strong 12 kilo magnet foot to place frames on horizontal metal surfaces. The raised design and small round foot give unlimited placing possibilities.

Standard colour: Transparent T holder and metal magnet housing.
Foot diameter: 40 mm
Number per box: 10/box

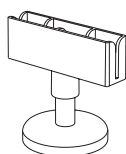

(+)

MGT-TCB

Strong 12 kilo magnet foot to place signs on metal surfaces

The raised design and small round foot give unlimited placing possibilities.
For 300-1000 gram cardboard or up to 1,0 mm thick plastic signs.
Standard colour: Transparent sign holder and metal magnet housing.
Foot diameter: 40 mm.
Number per box: 10.

PRICE & PRODUCT INFORMATION

⊕

SK-M-00

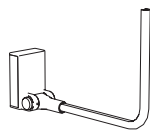

Magnetic foot with 9 mm straight tube

To be used with the Frame grips T, or T-XL. Also for use with the VENDOR sign holders. Strong magnetic foot which can be adjustable to the required angle.
 Tube length: 200 mm.
 Colour: White magnet, aluminium tube.
 Number per bag: 20.

ⓑ

SK-M-90

Magnetic foot with 9 mm angled tube

To be used with the Frame grips T, or T-XL. Also for use with the VENDOR sign holders. Strong magnetic foot which can be adjustable to the required angle.
 Tube length: 100+100 mm.
 Colour: White magnet, aluminium tube.
 Number per bag: 20.

ⓑ

SK330-T

Tube including T

Fixed length 330 mm. Tube diameter 9 mm.
 Colour: Tubes in aluminium with a transparent T.
 Number per bag: 10.

ⓑ

SK330-510-T

Telescopic tube including T

Adjustable from 330 to 510 mm.
 Tube diameter: 12 mm (bottom) and 9 mm (top).
 Colour: Tubes in aluminium with a transparent T.
 Number per bag: 10.

ⓑ

SK580-1010-T

Telescopic tube including T

Adjustable from 580 to 1010 mm.
 Tube diameter: 12 mm (bottom) and 9 mm (top).
 Colour: Tubes in aluminium with a transparent T.
 Number per bag: 10.

⊕

SK830-1510-T

Telescopic tube including T

Adjustable from 830 to 1510 mm.
 Tube diameter: 12 mm (bottom) and 9 mm (top).
 Colour: Tubes in aluminium with a transparent T.
 Number per bag: 10.

⊕

T-SKOP-LOCK

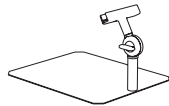

Locking device for telescopic tubes

To be used with telescopic products like the SK330-510-T, AS-ARM-U-KIT and similar to lock them in a certain position. Can simply be added to these SK- and AS-ARM- solutions afterwards.
 Color: Grey
 Number per bag: 100.
 Number per box: 1000.

⊕

SUPPFLEX-FT 100-T

Frame support with adjustable incline

With an "ankle adjustment" and a metal slip-in foot. Ideal to expose frames nearby the merchandise and to give them a perfect reading angle.
 Height: 100 mm.
 Foot dimensions: 160x200 mm
 Colour: Grey foot and flex, transparent T holder.
 Number per carton: 10.

⊕

SUPPFLEX-BP 370-550-T

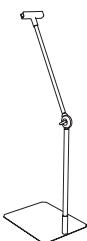

Telescopic frame tube with adjustable incline

With an "ankle adjustment" and a metal slip-in foot. Ideal to expose frames nearby the merchandise and to give them a perfect reading angle.
 Height: 370-550 mm.
 Foot dimensions: 160x200 mm
 Colour: Grey foot and flex, aluminium tubes, transparent T holder.
 Number per carton: 10.

⊕

SUPPFLEX-MP 600-T

Frame tube with adjustable incline

With a "knee adjustment" and a metal slip-in foot. Ideal to expose frames nearby the merchandise and to give them a perfect reading angle.
 Height: 600 mm.
 Foot dimensions: 160x200 mm
 Colour: Grey foot and flex, aluminium tubes, transparent T holder.
 Number per carton: 10.

PRICE & PRODUCT INFORMATION

SUPPFLEX-MP 1100-T

Frame tube with adjustable incline

With a "knee adjustment" and a metal slip-in foot. Ideal to expose frames nearby the merchandise and to give them a perfect reading angle.
 Height: 1100 mm.
 Foot dimensions: 160x200 mm
 Colour: Grey foot and flex, aluminium tubes, transparent T holder.
 Number per carton: 10.

SUPPFLEX-UP 370-550-T

Telescopic frame tube with adjustable incline

With a "hip adjustment" and a metal slip-in foot. Ideal to expose frames nearby the merchandise and to give them a perfect reading angle.
 Height: 370-550 mm.
 Foot dimensions: 160x200 mm
 Colour: Grey foot and flex, aluminium tubes, transparent T holder.
 Number per carton: 10.

SUPPFLEX-UP 620-1050-T

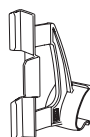

Telescopic frame tube with adjustable incline

With a "hip adjustment" and a metal slip-in foot. Ideal to expose frames nearby the merchandise and to give them a perfect reading angle.
 Height: 620-1050 mm.
 Foot dimensions: 160x200 mm
 Colour: Grey foot and flex, aluminium tubes, transparent T holder.
 Number per carton: 10.

SLIMFRAME

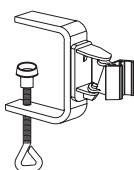

Swing-away Frame holder for Slimline™

To connect Frames perpendicular to shelves equipped with Slimline™. Swings away 90° in both directions to minimize the impact on the Frames when hit by consumers, trolleys, etc. Recommended for Frames up to A4. SLIMFRAME can also be used in combination with the supergrip SGTCB to hold smaller perpendicular signs.
 Colour: White.
 Number per bag: 10.

UMC-SW

Metal clamp with hinged frame holder

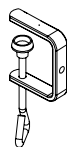

Metal clamp with articulated frame holder for shelf edges.
 The frame is fixed at a vertical angle to the shelf and swings away at the slightest touch.
 White and transparent frame holder.
 Number per bag: 10.
 Also available with a grip for signs, (UMC-FLAG) on request, see Shelftalker chapter.

+

UMC-FLEX

Slip-in plate with hinged frame holder

For mounting frames on shelf edges. The frames can be mounted on the top or side of the clamp.

Colours: White clamp and transparent T.

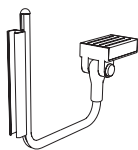

Number per bag: 10.

Also available with a grip for signs, (UMC-FLAG) on request, see chapter "Shelftalkers".

B

AS-ARM-FLUG-KIT

Adjustable magnetic arm with hinged frame holder

Frame holder for perpendicular use. To be fixed underneath a metal shelves. Can be used with 90 mm high Datastrips (when used on non-angled shelves).
